RE: 2004Q-0151: Qualified Health Claim Petition: Soy Protein and Cancer

Dr. Shimakawa:

Solae, L.L.C. accepts the request from FDA for a 60-day extension to review docket number 2004Q-0151: Qualified Health Claim Petition: Soy Protein and Cancer. We understand this extension is necessary due to the large volume of health claims the agency is currently reviewing. Please feel free to contact me if there is any further information you require during the review process.

Sincerely,

Gregory L. Paul, Ph.D.
Global Director, Nutrition
